This Amendment No. 07 is issued to answer contractor questions and effect other administrative changes.

A. Amendment No. 06 was never issued - this Amendment No. 07 follows Amendment No. 5.

B. The 95% requirement for General contractor performance of the contract is reduced to 80%.

C. The due date and time for receipt of proposals is extended to October 20, 2009.

D. Cutoff date for submission of additional RFI's and other such inquiries is October 12, 2009.

E. Q & A

1. Question: Due to the fact that the drawings are not scaled we would like to request another site visit for Subcontractors so that we may achieve accurate pricing.

Response: No additional site visits will be conducted. All parties had an opportunity to view the work area first hand and determine the level of work needed. The drawings are printed to scale; a bar graph is provided for each drawing.

2. We would also like to request a two week extension so that the Subcontractors have adequate time to prepare proposals after visiting the site.

Response: A two-week extension is granted as requested.

3. We refer to Questions and Answers for items 1 and 4 in Amendment 3. We request that AOC accepts a teaming agreement wherein the General Contractor will be the lead team member and that the Painter and the Scaffolding Contractors, as the other team members with the GC, perform 95% of the work. This teaming agreement will be submitted with the bid detailing the duties and responsibilities of each of the team members so that the Owner will have a clear delineation of the work and management responsibilities of the team members. The GC, as the lead team member, would be the entity providing all bonds and would be directly contracted with the Owner. Is a teaming agreement (not a JV agreement) as described above acceptable for us to bid this project?

Response: Teaming agreements are acceptable with the requirement that all of the required experience/qualification documents be submitted on each team member for.
